- Lunch and refreshments will be provided.
- If your role requires training or certification, please complete all requirements prior to arrival.

About our Organizations

FIRST is a global nonprofit organization that prepares young people for the future through a suite of life-changing youth robotics programs that build skills, confidence, and resilience. Learn more at firstinspires.org.

FIRST Tech Challenge is a program where students in grades 7–12 design, build, program, and operate robots to compete in a head-to-head challenge in an alliance format.

Orlando Robotics League is one of eight *FIRST* Tech Challenge leagues in the Florida region. Teams compete within the league to advance to the Florida Championship.

Orlando Robotics Foundation is a nonprofit organization that provides financial backing for the league. Learn more at orlrobotics.org.
