- There are several nearby restaurants available.

Arrival Information

The campus is located off of John Young Parkway.

See map above for specific drop off and entrance details. Students will be outside to help guide you upon arrival.

Pit and Arena Setup

- Pits will be assigned in the cafeteria.
- Workshops and the practice field will be located in nearby classrooms.
- Space outside is available for overflow.

Volunteer Information

Thank you for volunteering at this event. We can't provide these educational opportunities without your help.

- Please arrive and check-in between 8:30–9:00am.
- Lunch and refreshments will be provided.
- If your role requires training or certification, please complete all requirements prior to arrival.

About our Organizations

FIRST is a global nonprofit organization that prepares young people for the future through a suite of life-changing youth robotics programs that build skills, confidence, and resilience. Learn more at *firstinspires.org*.

***FIRST* Tech Challenge** is a program where students in grades 7–12 design, build, program, and operate robots to compete in a head-to-head challenge in an alliance format.

Orlando Robotics Foundation is the Program Delivery Organization for *FIRST* Tech Challenge in Florida. Learn more at *flfirst.org*.

Orlando Robotics League is one of nine *FIRST* Tech Challenge leagues in Florida. Teams compete in their league to advance to the Florida Championship.
